Happy Times Chinese for Children

(Book and Audio CD) Drawing on numerous methods available (as well as their own experience in teaching Chinese to children) the authors have adopted various innovative approaches to keep young learners interested and motivated. By combining the teaching of Pinyin with useful phrases, sentences and rhymes, for instance, they turn the monotonous learning of Pinyin into an enjoyable experience. Targets non-native speakers aged 6-7.

I Love Learning Chinese

Based on the Total Physical Response (TPR) method and designed for English speakers, the text consists of a series of simple illustrated stories using basic actions in often funny scenarios. The language is reinforced through doing the actions, describing the events and writing about them. Script appears in simplified characters, pinyin romanisation and English. The series includes a set of readers and is suitable for pupils in Years 5-8.

China Magnetic Map (Bilingual)

19.95

The individual province pieces are magnetic and join together as a puzzle, with province names in both English and simplified characters. An entertaining resource for the language classroom.

★ Eazy Chinese – Magical Chinese

Characters: Building Blocks for Learning Chinese Characters

In the Chinese writing system, some 300 basic characters are used to create all other characters. These 300 building blocks provide the organising principle of this series and the basis of more complex characters.

The history and reason for each form are illustrated and explained, making recognition logical and easier. Writing and pronunciation practice, seeing the characters in sentences, and the accompanying audio CDs all go a long way in substantiating the learning experience.

(Anywhere in Australia)	\$
First item	5.00
Each additional item	.50
10 items or more	Free

Backorders

Titles temporarily out of stock will be backordered.

Any titles unable to be supplied with your first shipment incur a maximum delivery charge of only 50c each.

Australian Express Post

Charged at current rates plus \$2.

International Orders

Sent by Air or Surface Parcel Post, where available (prices on application).

PRICES

10% discount off listed prices for teachers, schools and institutions (except for items marked 'net').

Higher discounts may be negotiated for bulk quantities (class sets).

All prices are correct at time of publication, but unfortunately are subject to change.

SHOP HOURS

We invite you to come and inspect our excellent range of resources available in the shop. We are open 7 days:

Mon – Fri 8.30am – 7pm (Thu 9pm)
Sat 8.30am – 6pm
Sat 10.00am – 5pm

SERVICES

Range

We have Australia's largest range of language-learning aids for over 100 languages, including audio and software courses. We also have a huge range of ESL texts and practice material, multicultural and teacher resources, as well as fiction, non-fiction, children's books and movies in other languages.

Advice

Language Book Centre is an independently-owned business offering unbiased advice on books and learning materials from all publishers. Our staff speak over 20 languages between them and are well qualified to provide expert advice on the full range of language resources available.

Website

Our user-friendly website at www.languagebooks.com.au includes fully searchable database and online ordering.

Approvals

Schools and institutions may take books On Approval for up to 3 weeks to allow time for closer inspection and discussion with colleagues. (Return postage payable by customer).

Shelf-ready Supply

We can provide as much cataloguing and processing as you require.

Catalogues

We also produce a 100-page Secondary & Tertiary LOTE catalogue. Please ask for a free copy to be mailed to you or download it in PDF format from our website.
