How Languages are Learned 3rd Edition

(Lightbown) 75.00
Helps teachers to understand the principles behind different teaching methodologies and, with the help of activities and questionnaires, discusses their implications for language teaching.

★ Language for Learning

(Hayden and Jordan) 81.00
A practical guide for supporting pupils with language and communication difficulties. This award-winning reference handbook suggests ways for teachers to identify speech or language difficulties, plan a suitable curriculum, and empower pupils to participate and develop communication skills. Includes photocopiable resources, activities and stickers.

The Other Languages: A Guide to Multilingual Classrooms

(Edwards) 16.00
This is an indispensable resource for primary schools that teach one or more community languages. From Greek and Arabic to Aboriginal languages, it looks at the linguistic and cultural diversities that students from these backgrounds experience and how they impact on learning. Clearly laid-out historical and cultural information is provided for each country to give teachers clear and immediate information.

Pictures for Language Learning

(Wright) 56.75
This richly illustrated book is a valuable guide to the role of pictures and other visual materials in language teaching. It brings together a wealth of ideas, practical suggestions and activities that cover a wide range of language skills to provide real opportunities for students to communicate and express themselves.

Pocket All: A User's Guide to the Teaching of Languages and ESL

(Vale) 34.95
A quick and accessible reference to assist in designing, implementing, assessing and evaluating language-learning programs.

Role Play (Ladousse) 59.95

A step-by-step guide is provided for each activity to assist in the successful set-up of role plays.

Teaching Languages to Young Learners

(Cameron) 58.75
Practical suggestions on how to analyse and evaluate classroom activities, language use and language development for children aged 5-12. The data and examples given are for English, but much of the book is applicable or adaptable to the teaching of other languages.

GAMES AND ACTIVITIES

Drama with Children (Phillips) 59.95

Provides practical ideas for introducing drama activities into the class, including role play, mime, chants, puppets and short plays. Also shows how activities can be integrated into day-to-day teaching, and provides inspiration for performances at open days or end-of-term shows. Adaptable to any language.

Five Minute Activities:

A Resource Book of Short Activities

(Ur & Wright) 48.50
The activities are laid out simply in alphabetical order, with sections providing guidance on aims, preparation and procedure. Originally designed for English classes, the activities can be easily adapted to suit any language and different levels.

Games for All Reasons:

Interacting in the Language Classroom

(Schultz & Fisher) 44.95
