

# German

## COURSE BOOKS

### ★ AQA German

Designed as study guides for the AQA AS and A2 exams, these books can also be used as supplementary material in advanced-level courses. The 12 chapters in each level deal with contemporary social issues and topics such as the media, the arts, immigration, politics and health.

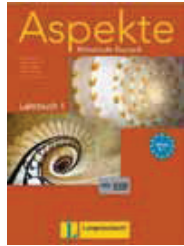

Authentic articles and further links to written and audio material online add social relevance to the course. A grammar reference section and glossary appear at the back.

AQA German AS Student Book	45.95
AQA German A2 Student Book	45.95

### Aspekte Mittelstufe Deutsch

This 3-level method conforming to the European Framework is aimed at young adults. Stage 1 is at level B1 with preparation into level B2, Stage 2 covers level B2 and Stage 3 level C1. The title of the course refers to the different themes treated in each chapter that are shown under different aspects. Besides reading, listening, writing and speaking skills, Aspekte teaches also visual skills: for each chapter there is a film sequence on the accompanying DVD and each respective chapter in the textbook is followed by still photographs and exercises. Textbooks and DVDs are also available separately.

### ★ Der Einstieg:

#### Vorkurs Deutsch als Fremdsprache 31.95

A crash-course for adults. It is a slim workbook illustrated in full colour, and includes an audio CD. It teaches the language of essential daily interactions. Contains flashcards to practise vocabulary, articles and phrases. Useful for short-term or 'taster' classes. Also suitable for self-study as it contains an answer key and the instructions are illustrated and in simple German.

### ★ Exploring German 3rd Edition

This engaging course that aims to introduce students to German culture and language has just come

out in a third edition. 20 thematic units expose students to a variety of words, expressions, and structures. A friendly, visual approach generates enthusiasm for language learning, and puzzles and other fun activities engage and entertain the students. Suitable for Upper Primary/Lower Secondary levels.

## Studio d

This course is available in 3 levels (A1, A2, B1) with excellent multimedia materials for the teacher and learner. It exists in either 3 or 6-volume editions. It is based around the combined textbook and workbook with the audio CD as a supplement. The textbook consists of 12 units, 3 revision units and additional thematic material. It integrates an appendix with a model test, a grammar overview, a vocabulary list, all listening texts, and a key. The consistent integration of career scenarios and the presentation of different kinds of jobs take into account the professionally motivated interest of many adults.

### GRAMMAR & USAGE

<b>1001 Pitfalls in German</b>	24.95
Practice in German grammar.	

### Aktion Grammatik! 3rd Edition 74.50

This popular grammar series has been fully updated to include contemporary language, summary and revision points together with a brand new user-friendly design.

### Arbeitsgrammatik

This step-by-step guide in 46 chapters deals systematically with the major themes of German language learning. It is simple to understand and easy to follow, and is suitable for students at all levels. It offers simple multiple-choice tests, ideas for communication and extensive help to those who find it hard to accumulate a rich vocabulary and to imitate native speech patterns.

Text	52.95
Answer Key	9.20

### Barron's German Grammar 14.95

A portable introduction and reference.

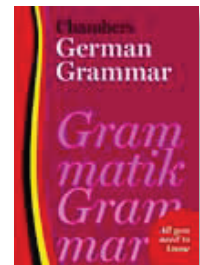

### Basic German:

#### A Grammar and Workbook 59.95

This accessible book combines a reference grammar and related exercises. It focuses on the language used today and covers the core material that students expect to encounter in their first years of learning German. It features clear grammatical explanations; authentic examples from a range of media in German and English; checklists at the end of each unit; cross-references to other grammar chapters; a full exercise answer key and glossary of grammatical terms. See also *Intermediate German*.

### ★ Chambers German Grammar 20.00

Designed for learners at any level, this compact reference grammar includes everything from articles to verbs. Essential rules are explained in clear English and points are illustrated with exemplary sentences in everyday German with English translations. The most recent German spelling reforms are outlined. Includes a glossary of grammatical terms used in the book to make instructions understandable.

### Deutsch Lernen mit Spielen und Rätseln

Learning grammar and vocabulary is fun and easy with this brightly illustrated, topic-based activity book. In each unit a grammar point (using relative vocabulary) is introduced together with a series of exercises to practise new structures. Answer key provided. Suitable for junior and intermediate levels.

Volumes 1-3	net ea 28.95
-------------	--------------

**Duden Bd 4: Die Grammatik** hb 65.00

This is the 2006 edition of one of the best German grammars published. Based on the latest research, it describes the structure of the present-day German language, starting from sounds and letters and ending with texts and dialogues. This edition explains the construction and attributes of texts for the first time, and a whole chapter is dedicated to the specific grammar of the spoken language. With numerous examples, clearly set out tables and graphs as well as an extensive index, this is an indispensable tool for serious learning and knowledge of the German language. German text only.

**Einfach Grammatik Übungsgrammatik Deutsch A1 – B1** 56.95

A stand-alone grammar practice book for beginners through to intermediate level B1 students. This excellent workbook provides a grammar index, answer key and simply illustrated examples of the grammar as explanations. Easy to follow in German and well designed in layout

**Em Übungsgrammatik** 70.50

This is a complete grammar for the Mittelstufe level. It has a clear layout: throughout the text it provides the rules and examples on the left side of a double-page and the respective exercises on the right page. The numerous exercises cover three degrees of difficulty. Answers are given at the back of the text. All German text.

**English Grammar for Students of German** 49.95

This very popular text explains German grammar in terms of its English equivalent.

**Essential German Grammar (Dover)** 13.95

All the grammar really needed for speech and comprehension, without trivia or archaic material, clearly presented with many shortcuts and timesavers, suitable for self-study of class use.

**Essential German Grammar (Hodder)** 60.00

This reference grammar is easy to use, with clear explanations, authentic examples and visually appealing tables. A separate exercise section gives students the opportunity to test themselves and put into practice what they have learned.

**German: An Essential Grammar** 64.00

A practical reference guide to the core structures and features of modern German. Presenting a fresh and accessible description of the language, this engaging grammar uses clear, jargon-free explanations and sets out the complexities of German in short, readable sections. It has an emphasis on the German used by native

speakers today, and it is suitable for either independent study or for students in schools, colleges, universities and adult education classes.

**★ German Grammar (Schaum's Outline)** 35.00

New edition, 2009. This excellent practice grammar containing 420 exercises with answers has been revised for greater clarity and the content has been updated to include new technology, the German Orthographic Reform and the conversion from 'DMark' to 'Euro'.

**German Grammar 11-14** 26.95

Written specifically for young learners, this comprehensive reference text covers all the essential grammar for the early years of language learning.

**German Grammar Drills** 21.95

More than 200 drills demonstrate how the German grammar system works. 27 independent units clearly explain gender of nouns and how to determine it, the four cases, how to form plurals, verb tenses, prepositions and pronouns and modal verbs among others. Answer key at the back makes this suitable for beginner-intermediate students studying alone. Also good to supplement main textbooks in the classroom.

**German Grammar in a Nutshell** 39.95

This grammar designed for English speakers at beginner or false beginner level features an entertaining approach with humorous examples and illustrations, communicative language and exercises to help students check their progress. The grammar content is based on everyday general usage in Germany, Austria and Switzerland.

**German Grammar in Context: Analysis and Practice** 59.95

This book takes authentic texts from a rich variety of sources – song lyrics, the writings of Freud, recipes, literary texts, newspaper articles and transcriptions from a TV chat-show – and uses them as starting point for the illustration and explanation of key areas of German grammar, particularly those which cause difficulties for English speakers.

**German Grammar Made Easy Book & CD-ROM** 62.50

This book is designed for adult learners who have a basic knowledge of the language, but do not know much about the grammar. It helps students recognise and understand the patterns that make up the framework of the language, without getting bogged down in technical descriptions. It gives clear explanations of each

structure, when to use it and how to form it, with ample exercises along the way. Handy notes direct more experienced learners on where to find the next useful section if they already know a particular topic. The CD-ROM provides over 200 activities of interactive grammar practice as well as audio recordings.

**The German Handbook** 32.00

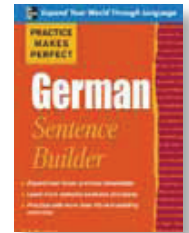

This book provides a practical grammar reference and revision guide for all learners in the first years of German, as well as some extra material for more advanced learners.

**German Pronouns and Prepositions (Practice Makes Perfect)** 21.95

Pronouns and prepositions play an important role in language but are often neglected in language study. The only way to master them correctly is through lots of practice, and this book is designed for that purpose. It helps students to successfully grasp pronoun and preposition usage, review and compare different types using easy-to-read tables, and build their language skills with over 100 exercises. It covers topics such as pronouns and gender, pronouns in accusative and dative cases, pronouns as subjects and as direct and indirect objects, accusative, dative and genitive prepositions, prepositional adverbs and prepositional contractions.

**★ German Sentence Builder (Practice Makes Perfect)** 20.95

It's one thing to know lots of vocabulary and all the grammar points; it's another to put it all together to make flowing sentences. Taking off where other grammar books leave, this natty book devotes a chapter on each of the major structures in daily use. The declarative, interrogative, sentences with conjunctions, those using adjectives and adverbs, the passive voice, short responses, word order in each, idioms, the subjunctive and many others all make an appearance. As usual, there are lots of short, relevant exercises that provide practice as well as build vocabulary. Includes answer key at the back of the book.

**German Verbs & Essentials of Grammar Second Edition** 18.95

Because its basic approach is to provide simple, concise explanations, language learners at all levels of proficiency can use this valuable handbook. It can be used for study and review, for individual or group work, as part of a refresher course, or for business, travel, or research.

**★ Grammatik Intensivtrainer A1** 35.30

This reference/workbook contains grammar exercises for levels A1. It has clear grammar

tables throughout and the answers at the end. Suitable for older teens and adults, it can supplement classroom work, or be used intensively for exam preparation. Instructions are in German.

**Grammatik Kreativ** 76.95

This all-German text approaches grammar in an original way. Grammatical topics, such as verbs, nouns, adjectives and clauses are introduced through speaking and writing exercises and reinforced with photocopiable revision activities and worksheets. Grammatik Kreativ suggests many new and exciting ways for beginning students, both individuals and groups, to improve their German grammar.

**Grammatik Sehen** 35.15

Arbeitsbuch fuer Deutsch als Fremdsprache. This grammar workbook is designed for basic and intermediate learners who have a reasonable vocabulary but wish to revise the structures of the language. It is clearly and simply designed and can be used as a supplement with any course. As the title indicates, the illustrations and design of the book will assist the student in working through the various activities.

**Hammer's German Grammar & Usage** 80.00

Comprehensive grammar for senior and university students.

**Intermediate German: A Grammar and Workbook** 69.95

The sister volume to *Basic German: A Grammar and Workbook*, this is designed for learners who have achieved basic proficiency and wish to progress to more complex language. 24 units present a broad range of grammatical topics, illustrated by examples which serve as models for the varied exercises. These exercises enable the student to master the relevant grammar points. Full exercise answer key included.

**Klipp und Klar** 64.95

This simple to use grammar resource is learner oriented with explanations of grammar corresponding to the level of the learner. It meets the requirements of the new Zertifikat Deutsch. Answer key is included.

**Modern German Grammar: A Practical Guide** 67.00

Divided into 2 parts, this comprehensive grammar features grammatical categories such as word order, nouns, verbs and adjectives in Part A, while Part B is organised

around language functions such as apologising, expressing regret, voicing an opinion or casting doubt.

**Modern German Grammar: Workbook** 51.00

This is a book of exercises and language tasks for all learners of German – students at schools, in adult education and within higher education – and includes a comprehensive answer key. It can be used independently or alongside the previous title.

**Die Neue Rechtschreibung** 21.95

This compact reference guide explains the official rules as of August 2006.

**PONS Grammatik Deutsch Kurz und Bündig** 30.95

An easy reference grammar for German students with simple explanations, many examples and helpful tips. A perfect preparation for the Zertifikat Deutsch. In German.

**Practice Grammar of German** 90.95

Bilingual edition of Lehr- und Übungsbuch der Deutschen Grammatik. This standard grammar for elementary and intermediate learners features clear explanations with plenty of examples, lots of exercises, explanation of the grammatical terminology, and a comprehensive index.

**Practice in German Grammar 2nd Edition** 58.50

For students starting post-16 courses. The text introduces students to the more formal grammatical knowledge required for German exams. Starting from notions that are already familiar, it leads gradually toward a higher level of competence in both spoken and written German. Grammatical rules are explained clearly and methodically in English.

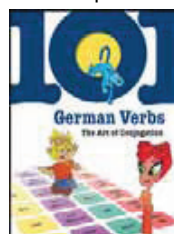

**Wahrig: Die Deutsche Rechtschreibung** hb 49.95

A new, readily comprehensible overview of the most important new spelling rules. More than 700 information boxes explain the essential changes and help impart certainty in all doubtful cases that can arise. Text in German.

**VERBS**

**101 German Verbs: The Art of Conjugation** pb 16.95

Verbs are brought to life in this charming little book through skilful use of humorous storytelling. The illustrations throughout the book come together to form a story and this innovative approach to language learning transforms an often dull and

uninspiring process into one which is refreshing and empowering. It can be used for self-study or as a supplement as part of a teacher-led course. Pronunciation of all the verbs and their conjugations are available online.

**501 German Verbs with CD-ROM** 29.95

Fully conjugated in all tenses, and featuring an easy-to-learn format which is alphabetically arranged. Free CD-ROM inside.

**The Big Yellow Book of German Verbs: 555 Fully Conjugated Verbs** 26.00

With 555 fully conjugated verbs and another 2,400 verbs cross-referenced to the conjugation models, this comprehensive reference is excellent value.

**★ Chambers German Verbs** 20.00

This pocket-sized paperback with its 2-colour design for easy searching is an ideal revision tool.

The book opens with detailed explanations of verb categories, tenses and constructions, followed by over 200 fully conjugated regular and irregular verbs. A further 2,400 indexed German verbs refer to these tables. A second index contains 1,500 common English verbs corresponding to their German equivalents in the tables.

**Collins Easy Learning German Verbs** 20.00

This book gives the complete beginner all they need to know to grasp German verbs. It starts with a glossary of the necessary grammatical terms, followed by sections on each tense explaining clearly when to use that tense and how to form it, as well as sections on various verb combinations. It has verb tables for over 100 verbs with all tenses clearly presented and helpful sample phrases.

**Essential German Verb Skills** 25.95

Using real-world examples and exercises, this book goes beyond conjugation to demonstrate how verbs function in both formal and informal everyday spoken and written German. Explanations are given with reference to how English verbs function in the same context, and students are shown how to integrate verbs into meaningful sentences of their own.

**German Verb Cards** 16.95

Small hand-held cards to teach and test verbs.

**German Verb Drills** 19.95

Whether used as a textbook supplement in a course or as a self-study text, this will simplify the complexities of

this crucial area of German language studies. Intended for beginning and intermediate learners. Contains answer key.

**German Verbs (Barron's)** 17.95  
Over 300 most commonly used German verbs.

**German Verb Tenses (Practice Makes Perfect)** 21.95  
This does much more for beginning to intermediate students than just help them memorise verb conjugations. It shows when and why to use different verb tenses, reinforces knowledge with everyday examples covering a wide range of topics, and helps build skills with over 100 engaging exercises. Includes a glossary of basic verb terminology, extensive summary chapters and full answer key.

**Oxford German Verbpack** 16.95  
This easy-to-use guide covers over 4,000 verbs, with more than 80 model verbs fully conjugated.

**PONS Verben auf Einen Blick Deutsch** 19.95  
A fold-out laminated chart of German verbs. Designed to slot into an A4 ring binder for easy reference. Folds out to six A4 pages.

★ **PONS Verbtabelle Plus Deutsch** 24.95  
The classic among German verb books, now with an expanded grammar section. German text.

**Verb Wheel German Irregular Verbs** 9.95  
Shows the Praeteritum and Perfekt forms and the English translations of 160 German verbs, as well as whether a verb takes sein or haben in the Perfekt tense. Also shows those which can take both, depending on their meaning or whether or not they are used in the transitive or intransitive sense.

## VOCABULARY

**Advanced German Vocabulary** 37.95  
A compilation of contemporary vocabulary, words and phrases for senior students.

**Basic German Vocabulary** 27.95  
Basic German Vocabulary handbook for English speakers - level A1-B1. Contains approximately 4000 keywords grouped by themes.

★ **Chambers German Vocabulary** 20.00  
A pocket-sized guide for quick reference. Thousands of words and phrases are grouped into subject areas, from the human body to

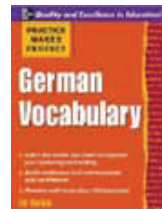

topical issues. There's extra information on easily confused words, false friends and common errors. Excellent for revision, homework and essay writing.

**Collins Easy Learning German Words** 19.00  
This handy vocabulary text is divided into 50 topics arranged in alphabetical order. This thematic approach enables the students to learn related words and phrases together, so that they can become confident in using particular vocabulary in context.

**A Frequency Dictionary of German** 64.00  
This excellent tool allows students of all levels to maximise their study of German vocabulary in an efficient and engaging way. It lists the 4,034 most frequently used words in the language, with a detailed list in order of frequency as well as cross-referenced alphabetical and part of speech indexes. All entries in the frequency list are accompanied by the English translation and a sample sentence.

**German Vocabulary (Barron's)** 14.95  
More than 5000 words and expressions with German equivalents, divided into useful categories.

**German Vocabulary (Practice Makes Perfect)** 21.95  
This guide and workbook is suitable for advanced beginners to intermediate level learners, either for independent study or as part of classroom work. Over 100 exercises in context reinforce the clear descriptions of correct usage. Answers are provided at the back.

**German Vocabulary (Schaum's Outline)** 35.00  
Workbook with answers, suitable for self-study or as a supplement to any course.

**Grosser Lernwortschatz Deutsch als Fremdsprache (German-English)** 49.95  
This comprehensive thesaurus for learners of German at all levels contains 15,000 entries divided into 20 thematic areas. Includes basic vocabulary, supplementary vocabulary, specialist and technical terms, with all the vocabulary for the Certificate of German included and specially marked.

**Mastering German Vocabulary** 24.95  
A thematic approach.

**Sage und Schreibe** 56.60  
The 99 thematic chapters in this book provide the background for learning and practising vocabulary at the Grundstufe levels of the new

Zertifikat Deutsch A1, A2 and B1. Swiss and Austrian variants are included. Suitable for Year 11 and 12 students. Includes answer key.

**Using German Synonyms** 89.95  
Designed for students who have already developed a basic competence in German, this book aims to broaden and improve their command of vocabulary and provide a guide to finding the right word for a given context. Suitable for use at both secondary and tertiary levels.

**Vocabulary for GCSE German** 34.50  
This text presents vocabulary and phrases by topic and provides advice and practice material to assist students with revision and comprehension. It offers a revision guide and a checklist, puzzles and games and model phrases for written and oral examinations. Suitable for Years 9-10, 11-12.

**Wort für Wort: New Advanced German Vocabulary** 21.50  
This highly practical resource provides full support for those following topic-based syllabuses, and its invaluable bank of relevant vocabulary makes it great as a means of revision.

**Wörterbuch der Synonyme und Antonyme** 45.00  
This excellent all German dictionary lists words and concepts connected by their meaning and content, as well as their opposites and their various definitions.

## IDIOMS & SLANG

**2001 German and English Idioms** 35.00  
Each idiom is defined and followed by an illustrative sentence in both languages. Bilingual prefaces provide insight into the nature of an idiom and point out similarities and differences in English and German usage.

★ **Chambers Pardon my German!** 23.00  
From the colloquial to the vulgar, this bilingual dictionary contains all the words you'd never use in polite company. Expand your seamy vocabulary and use the example sentences to make sure your insults are spot on.

**Deutsche Redensarten und was dahintersteckt** 29.95  
This is a fascinating reference book dealing with the ongoing history of ordinary German expressions. It explains where some of the most frequently used colloquial sayings come from, what they mean and the situations surrounding their introduction into common parlance. The sayings are interpreted with a great sense of

humour and erudition and with well-chosen illustrations. German text only.

**Dictionary of German Slang and Colloquial Expressions (Barron's)** 18.95

More than 4,000 words and their popular meanings that you won't find in standard German-English dictionaries.

**German Idioms (Barron's)** 18.95

Over 2,000 idiomatic words and expressions are presented in German, with their meanings or equivalents given in English.

**Scheisse!** 25.95

The REAL German you were never taught in school! This is an indispensable guide to off-colour German colloquialisms and profanities.

**Streetwise German** 26.95

An unusual guide to contemporary spoken German, for senior and adult students. It contains 15 humorous, down-to-earth dialogues with the colloquial language and slang used in everyday German. Exercises and brief grammar notes help practise what has been learned.

is divided thematically and covers most aspects of the everyday world in detail, from the restaurant to the gym, the home to the workplace, outer space to the animal kingdom. Easy to use, with a detailed index for instant reference.

### Langenscheidt Grosswörterbuch Deutsch als Fremdsprache

This all-German hardcover dictionary includes around 66,000 entries on more than 1,250 pages, and now for the first time includes a CD-ROM with a complete electronic version of the dictionary. It is aimed at intermediate to advanced learners of German, with an up-to-date vocabulary and easy to understand definitions for all words. Headwords appear in blue, as do the many information windows on the subjects of geography, culture and grammar. Also includes over 63,000 examples and collocations, as well as grammatical information and over 2,100 references about correct usage.

Dictionary & CD-ROM Pack 105.00

### Langenscheidt Taschenwörterbuch Deutsch als Fremdsprache

This 2007 edition contains over 30,000 keywords, expressions and examples on 636 pages.

### Wahrig Deutsches Wörterbuch Neu

This excellent and well-established monolingual dictionary, originally published 40 years ago, has been fundamentally revised. The 260,000 headwords with their examples of use and idiomatic expressions cover the vocabulary of the standard, colloquial, dialectal and technical German language. Over 10,000 new words have been added on, eg. Vogelgrippe, Sudoku, Podcast, Minijob. Approximately 250 coloured boxes throughout the text give special information on the significance, origin and development of important and interesting words.

### Wahrig: Wörterbuch der Deutschen Sprache

This is the updated paperback edition of the famous Wahrig. It is based on the 2006 spelling rules and contains more than 25,000 keywords and 125,000 uses and examples on grammatical, semantic and orthographical aspects of present-day German. This excellent monolingual dictionary is one more invaluable tool in the quest to master the German language and find the perfect expression in every situation.

### Wörterbuch Deutsch als Fremdsprache (de Gruyter)

This monolingual dictionary offers clear, easy to understand definitions of each entry, many phrases and examples of usage to show the word in its correct context, numerous comments on peculiarities and rules, details on correct punctuation, synonyms and antonyms.

## READING & WRITING SKILLS

### Alltag in Deutschland: Materialien mit Übungen

This full-colour reading workbook is a collection of authentic documents from everyday life.

Themes are Transport, Wohnen, Einkaufen, Gesundheit, Geld, Freizeit, Schule, Kommunikation and Hilfe. This title is suitable as a functional, contextual reading supplement to any first level course after one year of German.

### Briefe Schreiben: Leicht Gemacht

This handy letter-writing guide contains all there is to know about business and private correspondence, including emails. It includes coverage of style and layout of letters, the particularities of emails, and numerous sample letters to institutions and businesses as well as private correspondence. German text only.

### Developing Writing Skills in German

This course has been devised for post-intermediate students who need to write German in the course of their leisure activities, work or study. Suitable for use as a classroom text or self-study course, it is structured so that each section builds linguistically on the previous one, improving the student's understanding of style, register and format. Divided into eight 'Themen', the course covers topics of relevance in contemporary German-speaking countries, such as media, marketing, consumerism and recent history.

### Mit Power zu Fit

Practice materials for the preparation of the FIT exams 1 and 2 for young people at levels A1-A2. In 5 units the skills of listening, reading, writing and speaking are trained. Book 1 integrates a 600-word vocabulary; Book 2 integrates 1,200 words.

Book 1 with Audio CD 35.95  
Book 2 with Audio CD 36.50

### Schreiben – Intensivtrainer A1/A2

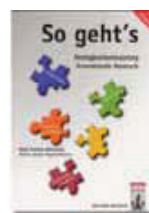

A useful workbook for writing activities. The progression is from small phrases, sentences and then through to text with expressions and vocabulary based on everyday needs.

### Schreiben in Alltag und Beruf – Intensivtrainer A2/B1

This title offers a wide variety of writing activities in the theme of the work place and provides text types from daily life, e.g. emails. Excellent for self-study and independent of course books.

### So Geht's

(Fertigkeitentraining Grundstufe Deutsch)  
An excellent text for supplementing any senior or tertiary study of German. The skill topics covered include Leseverstehen, Hörverstehen, Mündlicher Ausdruck,

Wortschatz, Schriftlicher Ausdruck. They are used in the context of current themes, which are fully illustrated and presented in a motivating and exciting manner. Also available without Answer Key.

Übungsbuch with Answer Key 63.95  
Audio CDs (2) net 72.95

### So Geht's zum ZD (Prüfungsvorbereitung Zertifikat Deutsch)

This full-colour text is the complement to So Geht's and is also suitable for both classroom and self-study. It contains 10 complete model tests in all aspects needed for the preparation of the Zertifikat Deutsch. Answers are given to assist in self-correction.

Testbuch (with 10 complete model tests) 70.10  
Hörtexte CDs (2) net 73.95

### Vom Lesen zum Schreiben

An excellent photocopiable resource designed to develop and improve students' reading and writing skills. The skills of skimming, picking out key facts, understanding the gist, coping with unknown words and using a dictionary are practiced throughout. Suitable for junior, secondary, and intermediate levels.

## SPEAKING & LISTENING SKILLS

### Better German: Achieving Fluency in Everyday Speech

This handy book helps intermediate learners to achieve fluency by addressing the subtleties of the language and showing how to use problem words. Key areas covered include getting the correct pronunciation; mastering difficult structures; using colloquial expressions correctly; choosing correct words and verbs; and different ways of saying the same thing.

### Ein Bisschen Panik

Following the success of the friends in Keine Panik!, this second part follows them into their life beyond school. As in the first book, the text consists of photocopy masters and an audio CD is available. Suitable for upper secondary students.

Photocopy Masters 51.40  
CD net 48.30

### Keine Panik!

Very easy listening and speaking activities for secondary and adult students with photocopiable worksheets and lesson plans and two CDs. The activities provide lots of fun and diversion, as the themes are engaging for adolescent students: an annoying younger sister, chance meeting, first date, etc. For the sequel with the same characters, see Ein Bisschen Panik.

Photocopy Masters 60.90  
CDs (2) net 48.30

### Mit Power zu Fit

Practice materials for the preparation of the FIT exams 1 and 2 for young people at levels A1-A2. In 5 units the skills of listening, reading, writing and speaking are trained. Book 1 uses 600 vocabulary; book 2 has 1200.

Book 1 with Audio CD 35.95  
Book 2 with Audio CD 36.50

### So Geht's and So Geht's zum ZD

See READING & WRITING SKILLS section.

### Wechselspiel 87.65

A book with photocopiable partner worksheets. In pairs, students of all levels can question each other and play with the German language.

### Wechselspiel Junior Pair Work Activity Masters 64.25

Bilder & Mehr. More partner activities, but this time at a slightly younger level than the popular Wechselspiel title. Most of the activities in this book of graded photocopiable pair work activities are picture-based.

## BUSINESS GERMAN

### ★ Alltag, Beruf & Co.

This new publication is part one of what will eventually become a 6-level series for adults. The course combines business and everyday language because real life is never neatly divided. As such, the usual topics of work, food, shopping and health etc are given a sleek twist to appeal to the young urban professionals. Each book is a combination student and workbook with an audio CD containing the workbook exercises. The course fits the European Framework, with levels 1 and 2 building towards A1 proficiency, levels 3 and 4 towards A2, and levels 5 and 6 towards B1. Level 2 is due October 2009.

Student Book & Workbook 1 + Audio CD 52.95  
Vocabulary Workbook 38.35

### ★ Kommunizieren im Beruf 43.95

'1000 nützliche Redewendungen' - 2008 edition. Excellent expressions through themes for business in German to improve communication. English index in back of book.

### Manual of Business German 104.00

Comprises a 5,000 word two-way glossary of the most useful business terms; an 80-page

spoken situations section that covers face-to-face and telephone scenarios; and a reference for grammar and short cultural notes.

### Talk Business

This vocabulary builder CD-ROM for complete beginners is ideal for schoolchildren and students. There are 9 topics: first words, food, colours, phrases, parts of the body, numbers, time, shopping and countries. The games and quizzes included on the disc ensure that users have fun whilst using the product, without realising that they're learning. After completing this, learners can move on to *Talk More*.

### Talk the Talk

Mac/Win CD-ROM ea 49.95

This CD ROM for those under-18 will teach words and phrases that really matter to teenagers. From "I'll send you a text message later", to "we won the game on penalties", Talk the Talk really gets them talking! Aimed at people who are beginning to get to grips with the language or preparing for school exams, it teaches more than 200 phrases for a wide range of topics including travelling, computers, sport, hobbies and school. Knowledge testing quizzes, pronunciation practice and a printable phrasebook makes this an ideal supplement for any class.

German  
Swiss German

### World Talk German

Mac/Win CD-ROM 69.95

Aimed at intermediate-level learners who have already built up some confidence listening

to and speaking their target language. The interactive games and quizzes will help to further develop fluency and understanding of the language.

## GERMAN CULTURE

### Austria (The European Union) 39.95

This book introduces students to the European Union, providing informative chapters on Austria's landscape, history, government, economy and culture, as well as its place in the European Union. Includes colour photographs, recipes, ideas for individual and group projects, further reading suggestions and a glossary. Suitable for middle-secondary students.

### Berlin (Global Cities) hb 38.50

Berlin is the capital of Germany, the largest economy in Europe. It has a wealth of cultural treasures including six orchestras and three operas; it has seen an explosion in new buildings, one of the best public transport systems in the world, and a low cost of living. However, these great success stories hide many intractable problems: high unemployment, and while living costs are low, so are wages. This text gives a real insight into how this city works, both now and in the future. Photographic profiles give personal accounts of life in Berlin. Includes many illustrations and city centre maps.

### Blick auf Deutschland 49.95

This informative cultural background reader is suitable for upper-secondary students. The 10 thematic chapters offer current cultural and political information, with texts that provide varied writing and speaking activities and illustrations including photographs, maps and tables.

### Contemporary Germany: A Handbook 59.95

This handbook on contemporary Germany and the German language is packed with essential information on history and politics, geography, education, and the environment. As it also covers German communication and media structures, social and cultural issues, as well as the economy, institutions and the language, it provides a vast amount of information especially geared to student needs.

### Cooking the German Way hb 36.95

Contains tantalising recipes for spaetzle, sauerkraut, Christmas stollen, and more. Also included are new vegetarian recipes, complete menu suggestions, and an expanded cultural section highlighting the German people and their country, holidays, festivals - and, of course, their food.

**Culinary Guidebook Germany 31.95**

A culinary guidebook for the German classroom, library or the visitor to Germany. Find out about places to eat throughout Germany, the wine regions, the vocabulary of German cuisine and important idiomatic expressions for the non-German speaker. A guidebook in English with a difference.

**Culture Smart**

These handy guides offer illuminating insights into the culture and society of the particular country. Suitable for travellers or students, they cover attitudes and values, historical and political background, religion, customs, traditions, leisure, social and cultural life.

Austria	19.95
Germany	19.95
Switzerland	19.95

**★ Entdecke Deutschland: Landeskunde auf einen Blick net 13.95**

This culture and language A4 folder is designed to fit into a ring binder (4 hole). It is laminated and folds out into three pages double sided with maps (physical and political), photos, statistics, history and geographical summaries.

**★ Exploring the German Language 2nd Edition 75.00**

This fully revised and updated edition provides a systematic approach to the study of the German language and an introduction to social aspects of the language, including its dialects, history and the uses of the language today. Includes a new section on gender, purism and German unification, fresh examples for analysis and an updated chapter on German geography.

**The Fall of the Berlin Wall (Monumental Milestones) hb 34.95**

Examines this major historical milestone and its impact on the world, recounting the chain of events and analysing its repercussions, both immediate and long term.

**Generation E: Deutschsprachige Landeskunde im Europäischen Kontext**

The 'E' means Europe and the context of the book is the German-speaking countries Germany, Austria and Switzerland through the overall themes of Europa, Geschichte, Geographie, Kultur, Trends and a final summary. It contains not only pearls from literature, film and music in German, but also excellent summaries of German history, politics and geography. For Year 11-12 students and adults. Text is all in German.

Audio CDs (2)	net 44.95

**The German Way 29.95**

Aspects of behaviour, attitudes and customs in the German-speaking world.

**Germany**

This popular series looks at many aspects of Germany today, in a simple format with lots of colour pictures.

The Land	19.95
The People	19.95
The Culture	19.95

**Germany 1919-45 48.95**

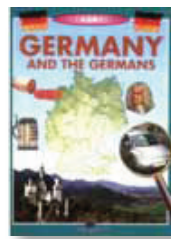

This text for upper secondary students is divided into two sections. The first section, Narrative & Explanation, gives a chronological outline of Weimar Germany, the rise of the Nazi Party and Nazi Germany. This is followed by an Analysis and Interpretation section which encourages students to explore in depth the main areas of debate around Nazi Germany.

**Germany and Austria 1814-2000 64.99**

Modern History for Modern Languages. A knowledge of Germany and Austria's distinctive historical experience is essential for an understanding of these countries today. Beginning in 1814 with the Congress of Vienna, and ending in the 1990s with the consequences of German and European unification, this book focuses on political history and traces the development of liberal parliamentary democracy in both countries through to the modern Federal Republic of Germany and Second Austrian Republic. Written in an accessible style and assuming no prior knowledge, this title addresses the specific needs of students on German language courses.

**Germany and the Germans (Focus on Europe) 23.00**

This illustrated text explains the basic facts about Germany while exploring a wide range of subject areas including social history, science, nature, history, technology, geography, arts, crafts and music.

**Germany (Countries of the World) (Evans Brothers) hb 39.95**

This highly informative text covers Germany's physical geography, resources, work, leisure, development level, environment and future outlook. It includes in-depth case studies, current statistics and specially commissioned up-to-date photographs.

**Germany (The European Union) hb 39.95**

This introduces students to the European Union, and includes informative chapters on Germany's landscape, history, government, economy and culture, as well as its place in the European

Union. Includes colour photographs, recipes, ideas for individual and group projects, further reading suggestions and a glossary. Suitable for middle-secondary students.

**Germany (World in Focus) hb 39.99**

This book gives a comprehensive, up-to-date view of Germany, including challenges facing the country now and in the future. It covers Germany's history, landscape and climate, population and settlements, government and politics, energy and resources, economy and income, global connections, transport and communications, education and health, culture and religion, leisure and tourism, environment and conservation. There are also special focus panels which go into detail on specific aspects of the country. Stunning and informative photos enhance this attractive and highly useful introduction to an important country in today's world.

**Germany Live: Country, Culture, People 31.95**

This cultural resource and workbook is packed with relevant and interesting information on German people and culture. Each of the 18 chapters contains explanations in English about an aspect of German culture, and a range of questions and activities to test and expand students' knowledge. A removable answer key makes it suitable for either self-study or classroom use.

**Kauderwelsch**

Have fun with these humorous, yet informative, guides to some of the colourful dialects of the German language. It is not always "Hochdeutsch"! German texts only. CDs also available.

Schwiizertütsch – das Deutsch der Eidgenossen (Switzerland)	20.95
Plattdütsch – das echte Norddeutsch (North Germany)	20.95
Wienerisch – das andere Deutsch (Vienna)	20.95

**Orientierungskurs Deutschland 29.75**

A soft-cover activity/reading comprehension title. This contains themed passages such as German history, religion and culture, accompanying colour photographs, Q&A sections, and further research information. Recommended for any advanced secondary class or tertiary study.

**Rundum: Einblicke in die Deutschsprachige Kultur**

The full-colour text and workbook offers fascinating insights into history, culture, sports and everyday life of the German-language area. Divided into 18 dossiers, it has a very appealing and motivating layout and a wide range of activities and exercises. Includes a 60-minute audio CD for listening comprehension. The

teacher's book contains solutions to exercises, photocopy masters, transcriptions and solutions to the listening comprehension, as well as some model tests.
