**Ecco!**

The Ecco! series treats student motivation, engagement and enjoyment as vital for successful learning. Teachers will also value the imaginative approaches, cultural authenticity, updated educational principles, logical sequencing, and ease of use and practical support of this series. It is devised for the first 4 years of secondary school. Ecco! Uno is intended for 3 semesters’ to 2 years’ work. Ecco! Due is more advanced and is intended for 2 years’ work. With lots of up-to-date, purpose-shot photographs, and cleverly written cartoon stories, Ecco! Uno provides a fun-filled, clearly sequenced and comprehensive introduction to Italian language and culture for junior secondary students.

**Ecco! Due** is intended for middle secondary students and sustains their interest, while building their language skills and cultural awareness through lively, age-appropriate topics, and rich cultural themes.

**Esplora!**

This is an innovative Italian course in three levels spanning years 7 to 12. A special feature of this course is that they tell a story. Esplora! I follows the adventures of Chiara and Marco searching all over Italy for Federico, an illusive boy who Chiara has a crush on. Esplora! 2 is a thriller involving Laura Bianco, the Australian student on work experience in Florence who must solve the mystery of a missing pre-Roman statue. With these cartoon stories high school seniors will be able to explore Italy and Italian in a very entertaining fashion indeed; students practise grammar through mobile phone games, upload video clips and vocabulary lists to their iPads, watch the drama unfold on the accompanying DVD, visit the interactive website for extra audio material, clip art, links, a blog, and in level 2, Facebook! But there is also still plenty of the old-style pen and paper work to be done, and the teacher’s resource CD-ROMs will assist the more traditional teachers to become tech-savvy instructors.

- **L’Italiano è Servito!** A wonderful title about Italian cooking and the culture of food in Italy. With a language and vocabulary component, this title is also a text that would offer a slightly different aspect to the class of adult language learners. The level is intermediate/advanced.

- **Italy (Countries of the World)** 38.50

This highly informative text covers Italy’s physical geography, resources, work, leisure, development level, environment and future outlook. It includes in-depth case studies, current statistics, and specially commissioned up-to-date photographs. Please note that this is not the same as the Times Editions series of the same name.

- **Italy (Destination Detectives)** 37.50

Be Destination Detectives – find out about Italy! This book helps to discover what it is like to live in Italy. It contains lots of facts, figures and photos that describe what the countryside looks like, what people do for fun, what Italian cities are like and what Italian people eat.

- **Italy (The European Union)** 39.95

This book introduces students to the European Union, including chapters on Italy’s landscape, history, government, economy and culture, as well as its place in the European Union. Includes colour photographs, recipes, ideas for individual and group projects, further reading suggestions and a glossary. Suitable for middle-secondary students.

- **Italy (Nations of the World)** 42.95

Perfect for lower to middle-secondary students, this fully-illustrated cultural text takes students through the many facets of Italian history and culture. From the Roman Empire to Federico Fellini, it covers all of the important events and people that have graced Italy’s past and present. The text includes a timeline and a useful glossary.

- **L’Italiano è Servito!** The revised and updated edition contains some information on the history and culture of Italy, but more importantly a range of Italian recipes: starters, main courses, and desserts. A handy guide helps identify recipes that are healthy, tasty, or easy to make. Kitchen safety tips and detailed information about authentic ingredients help prepare dishes that taste as good as they look.

- **Italy: The Culture** 19.95

Carnevale and Leonardo da Vinci are two of the many cultural phenomena described in this fully illustrated text. Suitable for all secondary levels.

- **Italy: The Land** 19.95

From city life to high fashion, this clear and up-to-date text describes how Italians live today. Full-colour photographs are included. Suitable for all secondary levels.

- **Learning Italian in Italy** 38.95

This book is a comprehensive guide to all aspects of learning Italian in an Italian language school or university. It contains practical, detailed information on choosing the right course in the right area of Italy, arranging accommodation, enrolling, and the practicalities of living in Italy.

- **Percorso Guidato** 36.95

These guides provide valuable cultural information as well as language comprehension practice. Nine chapters take you through a guided tour of each city, with useful language notes, exercises and recipes along the way. Includes an answer key. Perfect for the senior classroom or independent study.

- **Piccola Storia d’Italia** 36.00

This excellent cultural reader covers approximately three millennia of Italian history and is suitable for upper secondary and university levels. Text is in Italian.

Easy Italian Reader
This book is a unique guide based on the premise that the best way to learn a language is to start reading it immediately. The stories, which progress in difficulty, are arranged in three sections – stories about an American girl who moves to Italy with her family; a colourful history of Italy; and readings from contemporary Italian literature. This progressive format makes it easy to build comprehension quickly, and it contains helpful word glossaries and exercises to challenge comprehension and build reading skills.
