

Welcome to the second Language Link of the year, as we settle back into routine after the back to school rush. You will find a wealth of new resources in these pages, which are certain to be helpful in your language teaching and learning experiences. Thank you to all the schools that have placed orders with us so far, we hope your year is progressing well.

Don't forget that we also have full catalogues available for Primary LOTE and Secondary LOTE, which are available in hardcopy or can be downloaded in PDF format from our website. Our website is also fully searchable with secure online ordering facilities, and can be found at [www.languagebooks.com.au](http://www.languagebooks.com.au).

We offer a 10% discount off marked prices (except on 'net' items) to schools and institutions. Higher discounts may often be negotiated with the manager for bulk purchases (class sets). Students are eligible for a 10% discount on set texts and dictionaries, on production of a student card or course enrolment receipt.

Our shop is open seven days a week and our multilingual staff can help with a broad range of enquiries about language resources and fiction in other languages. So please feel free to drop in and browse our shelves, or call or email us with any questions you may have.

## CHINESE

### Assimil Chinese with Ease

The extremely popular Assimil self-study courses are now available for Chinese. These easy, user-friendly courses are based on a unique learning concept of intuitive assimilation. Students can achieve remarkable results in four to six months with only around 20-30 minutes of study per day. The two volumes of this Chinese course contain a total of 105 short, amusing lessons, and CDs containing the full dialogues and exercises for each lesson. In addition, the *Writing Chinese with Ease* book gives stroke-by-stroke explanations on how to write the characters.

- Chinese with Ease Volume 1 Book & 4 CDs** \$125.00
- Chinese with Ease Volume 2 Book & 4 CDs** \$125.00
- Writing Chinese with Ease** hb \$36.50

### Basic Chinese 100 for Beijing 2008 Olympic Games Book & CD-ROM

\$135.00

This is the first textbook to specifically incorporate Olympics terminology to promote language services for the games. It centres on 25 common situations with carefully designed sentences, expanded examples and study aids drawing on sport, daily life and travel. The book also incorporates a CD-ROM for easy learning.

### China Series

ea hb \$44.00

Understanding China, home of the world's longest continuous civilisation, is a challenge given its social, political and cultural differences to our own situation. This series aims to help middle secondary students to form an accurate, comprehensive and balanced understanding of China, past and present.

- Ancient History of China**
- China Under Reform**
- Chinese Art and Architecture**
- Economy of China**
- Famous People of China**
- Festivals and Food of China**
- Geography of China**
- Government of China**
- History of Modern China**
- People of China**

### China (World in Focus)

hb \$39.95

This book gives a comprehensive, up-to-date view of China, including challenges facing the country now and in the future. It covers China's history, landscape and climate, population and settlements, government and politics, energy and resources, economy and income, global connections, transport and communications, education and health, culture and religion, leisure and tourism, environment and conservation, and future challenges. There are also special focus panels which go into detail on specific aspects of the country. Stunning and informative photos enhance this attractive and highly useful introduction to an important country in today's world.

**A Chinese Character a Day Practice Pad Volume 2** \$29.95

Building on the success of Volume 1 (\$29.95), this pad further extends and consolidates the difficult task of memorising hundreds of unfamiliar Chinese characters. Students can master one character a day by spending only a few minutes of practice time writing it. Designed in the form of a numbered tear-sheet and packaged as a convenient memo block, there are 365 sheets for a year's worth of practice.

**Chinese Crosswords for Speakers of Chinese as a Foreign Language Volume 1** \$21.95

This book aims to offer an alternative way of learning Chinese while having fun. Unlike English crosswords, each square is filled with a character rather than a letter, so answers are usually phrases or sentences rather than single words. It helps students to further their understanding of commonly used words and sentences in specific contexts, encourages them to associate words with other knowledge, to enlarge their vocabulary and to practise the very useful reading skill of guessing meaning from context. Volumes 2 and 3 are forthcoming.

**Better French: Become Fluent in Everyday Speech** \$32.95

This handy book helps intermediate learners to achieve fluency by addressing the subtleties of the language and showing how to use problem words. Key areas covered include getting the correct pronunciation; mastering difficult structures; using colloquial expressions correctly; choosing correct words and verbs; and different ways of saying the same thing.

**Dictionnaire des Synonymes et Nuances (Le Robert)** \$34.00

This pocket edition contains 25,000 entries and provides over 200,000 synonyms and expressions, including all applicable language registers such as poetic, literary, technical, colloquial, formal, archaic and slang. There are detailed comparisons and explanations for some 1,400 words and their closest synonyms. The dictionary is very easy to use - look up a word and it shows its part of speech in brackets, followed by the synonyms in numbered groups, each with its register clearly marked. Many entries

also have in-depth explanations and examples. This is an excellent tool for the intermediate student intrigued by the nuances of the French language.

**France (World in Focus)** \$39.95

This book gives a comprehensive, up-to-date view of France, including challenges facing the country now and in the future. It covers France's history, landscape and climate, population and settlements, government and politics, energy and resources, economy and income, global connections, transport and communications, education and health, culture and religion, leisure and tourism, environment and conservation, and future challenges. There are also special focus panels which go into detail on specific aspects of the country. Stunning and informative photos enhance this attractive and highly useful introduction to an important country in today's world.

**DELFL**

From September 2005, the DELF and DALF have taken on a new format following the Cadre Européen Commun de Référence. Each unit is now independent and the tests cover all four skills: speaking, writing, listening and reading.

Following is a list of the new titles that have become available since the change in September. We will notify you of further new titles when they become available, especially the ones on the DALF.

**Interactive French Grammar Made Easy**

Book & Win CD-ROM \$34.95

This workbook and CD-ROM combo gives a simple approach to grammar to help students move beyond phrasebook French and grasp the structures of the language. Each chapter introduces a part of speech with a clear explanation of the grammatical concept for those who need it. The concepts are then reinforced by helpful advice boxes and an abundance of examples and exercises. The CD-ROM not only features pop-up tips and instant scoring for the exercises, but all the vocabulary

and answers are spoken by a native speaker to assist students' pronunciation as well.

### Paris (Cities Through Time)

hb \$34.95

This book for upper primary or lower secondary students shows how Paris has changed over time. It compares past and present by featuring photographs of landmarks, streets, buildings and commercial districts from the early 1900s alongside recent images of the same place. Questions allow cross-curricular exploration of various themes and stimulate discussion and comparisons with children's own neighbourhoods.

### Scrabble Français

\$120.00

Great for the classroom or as a prize or gift, the French version of the ever-popular Scrabble game will challenge and engage students of the language. A great way to build vocabulary, improve lateral thinking in the language and to liven up the classroom.

## GERMAN

### Arbeitsgrammatik

This step-by-step guide in 46 chapters deals systematically with the major themes of German language learning. It is simple to understand and easy to follow, and is suitable for students at all levels. For the beginner, the graded exercises and clear instructions render the first steps into German more pleasurable. For the intermediate language learner, the multi-level exercises open up new avenues of enquiry, and the same exercises can be efficiently used for revision by advanced language learners. It offers simple multiple choice tests, ideas for communication and extensive help to those who find it hard to accumulate a rich vocabulary and to imitate native speech patterns.

### Basic German: A Grammar and Workbook (Routledge)

\$42.00

This accessible book combines a reference grammar and related exercises in a single volume. It focuses on the language used today and covers the core material that students would expect to encounter in their first years of learning German. It features clear grammatical explanations; authentic examples from a range of media in both German and English; checklists at the end of each unit; cross-references to other grammar chapters; a full exercise answer key and glossary of grammatical terms.

### Essential German Verb Skills

\$24.95

Using real-world examples and exercises, this book goes beyond conjugation to demonstrate how verbs function in both formal and informal everyday spoken and written German. Explanations are given with reference to how English verbs function in the same context, and students are shown how to integrate verbs into meaningful sentences of their own. It features special chapters devoted to confusing verbs such as *haben* and *sein*, dozens of practical exercises, tables that efficiently resolve troublesome issues, and handy appendices of irregular verbs and of common verbs and the prepositions that go with them.

### A Frequency Dictionary of German

\$54.00

This invaluable tool allows students of all levels to maximise their study of German vocabulary in an efficient and engaging way. It lists the 5,000 most frequently used words in the language, with a detailed list in order of frequency as well as cross-referenced alphabetical and part of speech indexes. All entries in the frequency list are accompanied by the English translation and a sample sentence.

### Genau! Senior

Following on from the popular *Genau!* and *Ganz Genau!*,

*Genau! Senior* is presented in an attractive magazine-style format that will appeal to teenagers. Students are given a wealth of materials to read and listen to, all covering topics of relevance to the modern-day teenager. The units and components are designed to allow maximum flexibility to support the themes, topics, language functions, grammar, vocabulary and cultural items.

The separate grammar booklet that comes with the student's book helps students to stay focused on the readings while still accessing the relevant grammar rules.

**Pencak Silat for Schools:**

**Indonesia's Fighting Art DVD & CD-ROM**

\$75.00

This DVD of Indonesia's fighting art is targeted at primary and secondary schools that teach Indonesian. It features voiceover in English and in Indonesian at three different levels of language difficulty, and the accompanying CD-ROM contains transcripts, translations and work sheets in Word format. Teachers can download the desired pages, modify them if they want to and print them in colour. They can also make the jpeg pictures available to students for use in Power Point presentations, etc.

**Pimsleur Indonesian Compact Program (5 CDs)**

\$100.00

The popular Pimsleur method is an excellent approach for people who want to learn the language just by listening. Rather than the straight listen-and-repeat method employed by most all-audio programs, the Pimsleur method will ask students to put sentences together themselves, to recall things learnt in earlier lessons and to use elements they have already learned to make constructions that have not yet been put together in the lessons. There is no written material included, but the listener retains what they hear easily by becoming active in the learning process. Contains 10 half-hour lessons.

# ITALIAN

## Interactive Italian Grammar Made Easy Book & Win CD-ROM

\$34.95

This workbook and CD-ROM combo gives a simple approach to grammar to help students move beyond phrasebook Italian and grasp the structures of the language. Each chapter introduces a part of speech with a clear explanation of the grammatical concept for those who need it. The concepts are then reinforced by helpful advice boxes and an abundance of examples and exercises. The CD-ROM not only features pop-up tips and instant scoring for the exercises, but all the vocabulary

and answers are spoken by a native speaker to assist students' pronunciation as well.

## Italian Verb Tenses (Practice Makes Perfect)

\$19.95

Rather than just providing verb conjugation drills, this book helps students achieve fluency by showing how these fundamental building blocks of language are actually used in the context of everyday speech and writing. It features detailed explanations of when and why to use different verb tenses, everyday examples covering a wide range of topics, over 100 engaging exercises and comprehensive verb conjugation tables.

# JAPANESE

## 70 Japanese Gestures

\$19.95

This whimsical look at Japan's 'language of no language' introduces 70 gestures that will help you hurl insults, flirt, agree, excuse yourself, cross the street and even make promises without uttering a word. Includes everyday practical gestures, children's gestures and slang gestures, with a handy star system to warn you if a slang gesture may cause offence! An excellent instruction book for students, teachers, business negotiators and cross-cultural observers.

## Elementary Japanese

This course is suitable for beginners at university level or for individual study. It is based on the traditional approach of segmenting the language to be acquired according to constructions rather than functions. Grammatical explanations are provided in sufficient detail for it to be used as a reference as well as a textbook. Each lesson represents one week's instruction and includes a dialogue, usage notes, grammar notes, exercises, new kanji and new vocabulary. Each book comes with a CD-ROM containing the audio files of all vocabulary and listening exercises.

**Book 1 with CD-ROM**

## Hiroshima (How Did it Happen?)

hb \$32.95

This book provides a straightforward account of how the A-bomb was developed and the events that influenced the decision to drop the first weapon of mass destruction on Hiroshima. It features contemporary spoken and written material and photographs, along with the views of professional historians. For lower to middle secondary students.

## How to Draw Manga (Peter Gray)

ea hb \$24.95

Aimed specifically at children and young teenagers, these books give step-by-step instructions to guide the student through the drawing process from rough sketches

to finished illustrations. They give tips on drawing materials, how to give drawings a 3D effect, how to depict motion, as well as a glossary, index and links to useful websites.

## Japanese Beyond Words:

### How to Walk and Talk Like a Native Speaker

\$29.95

Communicating effectively with Japanese people involves much more than knowing the technical structures and vocabulary of the language. Barriers of culture and social etiquette can be just as difficult to overcome as problems of grammar, and this book was written to help surmount these barriers. It covers such varied topics as the etiquette of business cards, when and how to bow, Japanese words in English and English words in Japanese, how to say no without saying "no", behaviour at parties, social uses of politeness and rudeness, and much more.

## Japanese the Manga Way

\$49.95

This 'real manga, real Japanese' approach uses panels from manga actually published in Japan to illustrate almost every key grammar point taught in the first two years of study, and show how the language is used in real life. Learning with manga makes learning rules and structures easy, and also lets the student experience colloquialisms, contractions, interjections and other elements of speech often neglected in formal textbooks. With a detailed index,

numerous tables and sidebars and a complete guide to pronunciation, this is excellent as an introduction for the independent student, as a supplement for the beginning classroom or as a reference and review for more advanced students.

## The Way of Taiko

\$37.95

This book is for anyone who wants to try taiko drumming or who is fascinated by the instruments, sounds and compositions of a typically powerful taiko performance. It contains a brief introduction to taiko history, a guide to taiko instruments and movement, and an overview of training, disciplines and the connections between drumming, nature and spiritual practice. Includes a detailed glossary and over 35 full-colour photographs.

# SPANISH

## **Aunt Tula/La Tía Tula: A Dual-Language Book** \$25.00

A provocative nonconformist and outspoken enemy of all dogma, Miguel de Unamuno excelled in the creation of fiction, essays, poetry and plays. In *La Tía Julia*, he paints a portrait of the indomitable Aunt Julia, who fulfils her maternal desires on her own terms. This edition features ample notes and an informative introduction, including treatment of Unamuno's idiomatic wordplay.

## **Basic Spanish: A Grammar and Workbook (Routledge)** \$39.00

This workbook presents 20 individual grammar points in realistic contexts, and is an excellent reference and practice book for beginners and for those with some knowledge of the language. It features authentic reading texts to encourage an understanding of Spain and Spanish-speaking countries, reference to Latin American usage where appropriate, a full answer key for the exercises and a glossary of grammatical terms.

## **Countries of the World (Evans Brothers)** ea hb \$38.50

This series provides up-to-date information on each country's geography, industries, people, culture, environment and future prospects. All titles contain case studies of particular locations, industries or people, maps, diagrams, charts and specially commissioned photographs. Suitable for middle secondary students.

Argentina  
Chile  
Mexico  
Spain

## **Easy Spanish Step-By-Step** \$19.95

This book is based on the idea that the quickest route to learning Spanish is through a solid grounding in grammar basics. It features a unique 'building block' approach to mastering essential grammar, verbs and vocabulary; down-to-earth explanations of important rules and concepts; 300 verbs and hundreds of key terms introduced on the basis of frequency; exercises to help students test what they've learned and measure progress; and engaging readings that help hone skills in everyday contexts.

## **Flip Quiz Spanish** \$19.95

This is an excellent resource for pair work activities. Students prop the quiz between them and take it in turns to ask and answer questions in Spanish, depending on what they see on the page. With over 600 questions and answers covering 15 different subject areas, it is packed with colour images and cartoons, as well as role-plays, quizzes and amazing facts on Spain.

## **A Frequency Dictionary of Spanish** \$56.00

This invaluable tool allows students of all levels to maximise their study of Spanish vocabulary in an efficient and engaging way. It lists the 5,000 most frequently used words in the language, with a detailed list in order of frequency as well as cross-referenced alphabetical and part of speech indexes. All entries in the frequency list are accompanied by the English translation and a sample sentence.

## **Interactive Spanish Grammar Made Easy Book & Win CD-ROM** \$34.95

This workbook and CD-ROM combo gives a simple approach to grammar to help students move beyond phrasebook Spanish and grasp the structures of the language. Each chapter introduces a part of speech with a clear explanation of the grammatical concept for those who need it. The concepts are then reinforced by helpful advice boxes and an abundance of examples and exercises. The CD-ROM not only features pop-up tips and instant scoring for the exercises, but all the vocabulary and answers are spoken by a native speaker to assist students' pronunciation as well.

## **McGraw-Hill's Quick and Easy Medical Spanish with Audio CD** \$34.95

This accessible and easy-to-use primer combines a hands-on workbook with a fully integrated audio CD tutorial to help medical professionals master all the Spanish vocabulary and grammar they need to communicate with Spanish-speaking patients. It features over 1,000 Spanish words and phrases, real-life dialogues based on common medical situations, written and oral exercises and role-playing exercises. Suitable for total beginners in Spanish or for those wanting to brush up and expand their skills.

## **Spanish-American Short Stories/ Cuentos Hispanoamericanos: A Dual-Language Book** \$29.00

These 17 stories from the Caribbean and Central and South America encompass a tremendous variety of subjects, settings, moods and styles, from worldly sophistication to outright savagery. Ranging in publication dates from 1867 to 1922, each story is by a different well-known author from a different country, including Rubén Darío, José Martí, Amado Nervo and Rómulo Gallegos. This edition features an informative introduction and ample footnotes.

## **Spanish Stories of the Late Nineteenth Century/ Cuentos Españoles de Fines del Siglo XIX** \$27.00

This dual-language edition contains 11 stories by four outstanding authors – Juan Valera, Pedro Antonio de Alarcón, Emilia Pardo Bazán and Leopoldo Alas ("Clarín"). It features an informative introduction and ample footnotes.

## **Spanish Verbs for Dummies** \$29.95

The popular "Dummies" books explain things in ways that are simple and easy to understand. This new title helps students to master all 14 Spanish verb tenses and to make sense of confusing rules. It gives special help with irregular verbs and other verbs that break the rules, provides lots of examples on how to use verbs in the real world, and includes lots of practice exercises.

**Streetwise Spanish with Audio CD** \$34.95

The new audio edition of this popular guide to everyday Spanish helps clue the reader in on the idioms, colloquialisms, slang and vulgarisms currently used by Spanish speakers from all regions and walks of life. It features an overview of 'signature' words differentiating speakers across the Spanish-speaking world, engaging exercises to test comprehension and fine-tune skills, vocabulary lists and a mini-dictionary. The CD features 30 dialogues spoken by Spanish speakers from more than 15 countries to give exposure to authentic regional accents.

**The Ultimate Spanish Verb Review and Practice** \$19.95

This resource helps intermediate to advanced learners to quickly build their mastery of the Spanish sentence by comparing and contrasting Spanish and English verb tenses and sentence structures. It features examples of Spanish verb and sentence structures in everyday language; exercises including sentence completion, sentence building, dialogue writing, translation and verb-form replacement; hundreds of verbs listed in both

structural and semantic groupings; and coverage of contemporary Spanish including computer and technology verbs.

## OTHER LANGUAGES

### ARABIC

**Media Arabic** \$57.00

This course provides the basic skills required for comprehension and newsgathering from Arabic radio and newspapers. It assumes only a basic knowledge of grammar and vocabulary, and begins with an introduction to the broad structures of media Arabic, preparing students for oral translation and independent reading. It then moves on to more advanced exercises in oral translation focused on the vocabulary of five current affairs topics.

**Media Arabic: An Essential Vocabulary** \$26.95

Suitable for use either with the course *Media Arabic* or as an independent reference, this handy book gives a core vocabulary of media Arabic in a logical format, allowing for easy reference. The book is divided into the following sections: General (reports, sources, common media idioms), Politics, Elections, Military, Economics, Trade and Industry, Law and Order, Disaster and Aid.

**A Reference Grammar of Modern Standard Arabic** \$140.00

This comprehensive yet accessible overview is clearly structured and systematically organised. It covers the essential aspects of phonology, morphology and syntax, and includes helpful glossaries of both Arabic and English linguistic terms, as well as a section on how to use an Arabic dictionary. Each aspect of the language is clearly illustrated with carefully chosen examples. It is invaluable as a practical guide for supporting students' textbooks, for classroom work or self-study, and is an excellent reference work for scholars of the language.

**Using Arabic Synonyms** \$89.95

Designed for those who have already developed a basic competence in Arabic, this comprehensive guide aims to broaden and improve learners' vocabulary by helping them find the right word for the right context. Synonyms are clearly organised into groups under Arabic headwords and each entry is accompanied by information on level, frequency and grammatical context, as well as authentic real-life examples of usage. The clear, tabular layout makes reference easy and two clear indexes in Arabic and English make it simple to instantly locate any word.

### HINDI

**Your First 100 Words in Hindi** \$19.95

This book features games, puzzles and tear-out flashcards to help students master the Hindi alphabet and basic vocabulary. Words and accompanying activities are arranged into eight basic topics – around the home, clothes, around town, countryside, opposites, animals, parts of the body and useful expressions. Every word is accompanied by a cartoon image and numerous fun activities help to reinforce learning. Flashcards feature the word in Hindi script and transliteration on one side, with the English translation on the other.

### HUNGARIAN

**Hippocrene Hungarian-English / English-Hungarian Practical Dictionary** \$54.00

This new dictionary features over 31,000 entries, including a wide range of business, medical and technical vocabulary, a comprehensive pronunciation guide, a concise introduction to Hungarian grammar and appendices of English and Hungarian irregular verbs. Expressions, illustrative examples and essential phrases are included throughout.

### KOREAN

**Once Upon a Time in Korea: An Elementary Reader** \$59.95

This book is designed for anyone who has some Korean vocabulary and is familiar with the basic grammar. It provides delightful and easy short stories rewritten in simple sentences and using carefully selected sets of basic vocabulary, without sacrificing original meanings. The book is beautifully illustrated, and each story is accompanied by a vocabulary list in English, and cultural notes are included

with some of the stories.

### PASHTO

**Rosetta Stone Pashto Mac/Win CD-ROM** net \$299.00

This popular program is now available for learning Pashto. It is a very visual program with over 3,600 colour images and more than 3,000 words emphasising the four key elements of language learning: listening, speaking, reading, and writing. There is no English throughout this program, so students are immersed in the language and learn through associating the basics with the images on screen. Also included are scored exercises and tests to monitor progress.

### PERSIAN

**Rosetta Stone Farsi Mac/Win CD-ROM** net \$299.00

This popular program is now available for learning Farsi. It is a very visual program with over 3,600 colour images and more than 3,000 words emphasising the four key elements of language learning: listening, speaking, reading, and writing. There is no English throughout this program, so students are immersed in the language and learn through associating the basics with the images on screen. Also included are scored exercises and tests to monitor progress.

## PORTUGUESE

### Mini Aurélio: O Dicionário da Língua Portuguesa

\$45.00

This monolingual dictionary of Brazilian Portuguese is easy to use, with clear and concise definitions. It contains over 30,000 entries, indications of special fields that words are used in, syllable separation, new words, verb tables, grammatical information, irregular plurals and a mini encyclopedia.

## THAI

### From Bangkok and Beyond:

#### Thai Children's Songs Games and Customs

\$49.95

This book and CD package gives a wonderful insight into Thai music and culture. It contains photocopiable children's songs and game songs, each transcribed with notes on cultural context, game directions and suggestions for extended activities. Also included are numerous photographs, a photocopiable map of Thailand, introductory sections on Thai culture, music and musical instruments, a Thai folk tale, recipes and a glossary of common Thai words and phrases (with pronunciation guide). The CD includes all songs and instrumentals, as well a slow pronunciation guide for each song.

#### A Thai Journey

\$34.95

This resource offers a fresh insight into the many facets of life in contemporary Thailand, from a living tradition of Buddhist practice and the world's oldest surviving monarchy to Bangkok's hellish traffic problems and the thriving tourist industry. It provides practical and innovative classroom materials, including photocopiable worksheets, background information for teachers and detailed teaching and learning activities.

## VIETNAMESE

#### Your First 100 Words in Vietnamese

\$19.95

This book features games, puzzles and tear-out flashcards to help students master the Vietnamese alphabet and basic vocabulary. A useful introduction provides an explanation of the tonal marks and accents used in the Vietnamese alphabet. Words and accompanying activities are arranged into eight basic topics – around the home, clothes, around town, countryside, opposites, animals, parts of the body and useful expressions. Every word is accompanied by a cartoon image and numerous fun activities help to reinforce learning.

## CULTURAL RESOURCES

### Go Philippines Mac/Win CD-ROM

This CD-ROM employs a series of exciting on-screen activities to explore the Philippines, its people, history, geography and cultures. Students can explore interactive landscapes, delve deeper with fact files, challenge themselves with many quizzes, browse through the photograph albums and explore the web with the links libraries. Also includes over 50 printable activity sheets.

### The Middle East Series

ea hb \$38.50

This topical series looks at the key countries involved in the breaking news stories in this region, whether it's the changing situation in Iraq, the Israeli-Palestinian conflict or the role of oil in regional and world politics. The history of the Middle East is also examined to explain how the region has developed over the last century and to explore the causes of current conflicts. Suitable for ages 12-16.

Iran and the Islamic Revolution

Iraq Then and Now

Israel and Palestine

Oil in the Middle East

The Making of the Middle East
